LGN's leadership believes that coaches have a responsibility to inspire our children through the fundamental principles of teamwork and skills while focusing on the fun of soccer. LGN's leadership believes that coaches are, first and foremost, teachers who have a duty to assure that their actions and words promote important life skills and the development of good character in our children.

In addition, I'm responsible for the conduct of my players and spectators on our side of the field, specifically as it relates to the referees, other coaches, and opposing players. I will demand spectators not yell or complain to referees or officials during or after games. I will continue to stress that spectators should offer unlimited vocal support and positive encouragement for all players after good plays.

**2. I understand that soccer is more than the scoreboard** - I understand that the score of a game comes second to the safety and welfare of all my players. I agree to put winning in its proper perspective. I understand that the children I coach today will remember many of the things I do and say when they are adults. I will show unwavering respect for all players, parents, the officials, and the opponents.

**3. I understand my role as a coach when it comes to opposing teams** - I understand that I represent LGNSC and the community at large. I will demonstrate good sportsmanship at all times. I will not coach, nor allow my players to play, with intent to cause injury to opposing players. I will strive to ensure that neither I nor my players and spectators display hostile behavior towards opposing coaches, opposing players, and opposing parents or family members. I will actively discuss with my players the importance of character, ethics, and sportsmanship. I will be gracious in victory and accept defeat with dignity. I understand that verbal or physical abuse will not be tolerated. I understand neither I nor my players and spectators will display hostile behavior towards all members of the opposite team.

**4. I understand the importance of allowing referees to judge the game** - I will let referees judge the game. I will endeavor to instill in my players and my sideline spectators a respect for referees. I understand that my attitude can influence my players and spectators. I will display a controlled, restrained, and sportsmanlike attitude toward referees at all times. Neither I nor my parents and spectators will address the Referee before, during or after the game in a demeaning fashion. I understand that verbal or physical abuse will not be tolerated.
